

Carma loses ground on proposal to council for Braeside subdivision

Representatives Dave McDougall and Bill Bruyer, an economist and engineer with Carma Developers appeared before Council Monday evening on a subdivision proposal for Braeside Phone 2 in part of River Lot 46 in an area mainly along Sturgeon Road.

Mr. McDougall noted that in June of 1973 Carma had come in with a plan netting 313 lots, and was protesting what he felt was a severe loss in lots since that time. (The property had been pur-

chased over a year ago from Joe Jerry). The original plan for the roughly 90 acres indicated 313 lots, and Mr. McDougall said Carma expected to develop at least 296 of these. "Now we find the best possible we can get is 288," he said. Phase 1, the southern portion was developed as 220, rather than 230 and Council was recommending a subdivision plan for phase 2 for 68 lots, although the town planner in fact recommended only 59 developed

lots, with the other nine coming out from a treed portion of the subdivision along the river.

"We are in an awkward position with regard to the Alcan property," said Mr. McDougall, with no residences to the south of Phase 2, which were left till the Alcan situation was resolved - and it is not resolved. (Alcan have appealed a denial by council to approve development of the Alcan land to the Provincial Planning Board). "We want to develop our land, but we hate to lose 25 lots from what we originally anticipated," concluded Mr. McDougall.

Mr. Bruyer spoke on what he described as "the vanishing subdivision." "Following discussion with Coun. Bakker," he said, "we have given up seven lots for river walkway, suitable for cross country skiing and so on, but we feel our request that council accept some river bank recontouring, which would see us end up with 73 versus 68 lots, is reasonable." He admitted some trees would be damaged.

Councillor Thronson referred him to the 2150 level regulation, but Mr. Bruyer said he was not arguing with that, but rather whether or not his firm should be allowed to proceed.

Broken windows, damaged walls and other mindless destruction is becoming commonplace at Robert Rundle Elementary School much to the dismay of officials. Last weekend the damage was repeated with about 14 windows being smashed and other malicious injury being done to the school's property.

Vandals strike at Rundle

Incidents of vandalism have become common at Robert Rundle Elementary School over recent months and a window breaking spree which took place this weekend is the worst incident to date. The damage is estimated to exceed \$900 with between 12 and 14 expensive thermal windows destroyed.

Mr. Elmer Gish, superintendent of District #6, says that the vandalism continues despite a letter sent home to all parents alerting them to the problem. Windows are smashed with bottles or rocks and replacement of glass is practically a continuous process. In an effort to stop window breaking, the windows are being boarded up and this action, unfortunately, effects the innocent

as well as the guilty. It is not unlikely that the school may end up windowless.

Mr. Gish speculates that if parents of the children who are responsible for the damage are forced to cover the cost of replacement, the number of cases may reduce. He feels that the parents are completely unaware that their children are up to such 'mindless destruction.'

Terming the conduct 'malicious,' Mr. Gish stated that if the culprits are caught they will be punished to the full extent of the law. Such damage has cost the District 6 taxpayer over \$3,000 in the last two years for Robert Rundle alone. Light bulbs have been smashed, walls have been defaced, and cold air intake vents have been ruined in addition to the window breakings at the school.

Robert Rundle Elementary School is somewhat isolated, behind Sir George Simpson. Small alcoves provide cover for the vandals while they are up to their tricks and they are virtually undetectable. The backside of Sir George Simpson School has also become a target for vandals who have broken windows in that building also.

Mr. Gish feels that in light of the fact that the vandals who have been previously apprehended have been under the age of 13 that a curfew could be introduced to keep them off the streets. On numerous occasions youngsters have been observed 'hanging around' the area of Robert Rundle School late at night.

Government meets with municipalities on regional study

Representatives of the MD of Sturgeon, Towns of St. Albert and Morinville and Villages of Bon Accord and Legal met Monday with Dave Russell, minister of municipal affairs, Bill Yurko, minister of environment, Ken Broadfoot from the Department of Industry and MLA Ernie Jamison. Alphonse Nobert, secretary-treasurer of the MD, chaired the meeting.

Mr. Nobert read a prepared statement from his municipality outlining a proposal for the consideration of the Provincial Government. The brief requested that the Government undertake a feasibility study, at Government expense, on the formation of a Regional or Co-operative Board for the construction, maintenance and operation of water and sewer systems in the area covered by the municipalities, roughly 40 by 40 miles.

It was also felt, the brief went on to say, that the terms of reference for such a study should include integrated planning of transportation; Sturgeon River Basin development, and other areas suitable for recreation purposes; and development of a formula for sharing of industrial assessment among municipalities in the area. Mayor Gibson and Councillor John Bakker gave a verbal presentation for the Town of St. Albert, emphasizing that all six municipalities within the boundaries of the MD of Sturgeon were in accord with having such a study done, including the Village of Gibbons Council, which was not represented at the meeting.

The St. Albert representatives were interested in all of the pros and cons that such a feasibility study would uncover, and they

Please Turn To Page Two

Sod turning for Kinsmen Centre

Monday, July 29 will be a historic occasion for the Kinsmen Club of St. Albert and the Royal Canadian Mounted Police for on that day at 2:30 the sod will be turned for the St. Albert Kinsmen/RCMP Centennial Centre.

The facility will serve as a community centre for people of all ages for use as a meeting place, for informal gatherings, and for recreational purposes. The sod turning ceremony is very timely because later that evening the RCMP will be performing their Musical Ride at the Rodeo Grounds. Everyone is welcome to come to the sod turning which

will take place in Lacombe Park on the site where the building will be constructed. The site is north of Lawrence Crescent and off Larose Drive. Representatives of the RCMP, the Provincial Government, Town of St. Albert and the Kinsmen Club of St. Albert will be participating.

Mr. Bill Hite, chairman of the Kinsmen Community Project Committee, says that he feels that the facility is something that St. Albert really needs, "not only in the Lacombe Park area but for the entire town. There is a possibility that the Kinsmen may take on similar projects in other areas of town in the future."

The Youville Home's annual Klondike Party was a great success on Friday, July 19. It was held on the first floor patio and the short shower did not dampen anyone's fun. Members of the staff and friends were dressed up and dancing. Hot dogs and lemonade were served and everyone had a fine time.

Fete au Village in Legal this weekend!

Government

Continued From Page 1

pointed out that perhaps it could be undertaken as a 'Pilot Project' which could serve as a guideline for other areas in the Province. While a larger area could possibly be more advantageous, they felt that given the unique

situation of having six municipalities within an area 40 by 40 miles all in agreement would enable the study to get underway soon, at Government expense.

Minister Yurko told the group that a study was presently underway regarding

water and sewer, and mentioned that his department is looking at the possibilities of a water line from the Red Deer River south, which might service a number of centres in south central Alberta.

Minister Russell noted that the Boundaries Advisory Committee is doing a study for the Provincial Government, and in addition that Federal-Provincial-Municipal discussions have taken place on the financial problems of municipalities. In addition he reminded the delegates that the recently appointed Provincial-Municipal Finance Council is also studying municipal financing problems.

However Mr. Russell did see merit in the study proposed by the delegates, and didn't think these other studies would necessarily provide the answers sought in the feasibility study proposed at this meeting.

MLA Ernie Jamison pointed to the gross tax assessments of the MD and Town of St. Albert, stressing that nearly 100 per cent of tax revenue is derived from homes, farms and acreages, with a very small fraction of municipal tax dollars coming to either municipality from industry. Mr. Jamison asked R.R. Mr. Jamison pointed to the gross tax assessments of the MD and Town of St. Albert, stressing that nearly 100 per cent of tax revenue is derived from homes, farms and acreages, with a very small fraction of municipal tax dollars coming to either municipality from industry.

Mr. Jamison asked R.R. Mr. Jamison pointed to the gross tax assessments of the MD and Town of St. Albert, stressing that nearly 100 per cent of tax revenue is derived from homes, farms and acreages, with a very small fraction of municipal tax dollars coming to either municipality from industry.

The ministers reacted favourably to the suggestion of a feasibility study and suggested that some terms of reference be worked out by the government. A consultation with the municipalities. If such a study is decided upon, a decision would have to be reached on whether it should be an in-house study, done by a private consultant or possibly by personnel from the Economics Department of the University of Alberta.

Council

Continued From Page 1

ed to recount to it. "This is not a wholesale reconcounting - only very marginal, he added. "Our stipulation," said Coun. Throsson "were a 2145 level and no loss of trees."

Coun. Hudson asked the planner to comment and Mr. Gordon said he would like to clarify the matter of the wide walkway. "We had some property in Forest Lawn," he said, which was being exchanged for public reserve

- and while the walkway was generous - are walkways indeed suitable as Public Reserve? In any event these seven lots were no loss to the developers who were required to provide an equivalent amount in the first place. He added that he realized the change from 2145 to 2150 level was a change, but in some instances the reconcounting suggested would be even below the 2145 level.

Mayor Gibbon asked if the road could not go in at the

2145 level, but the planner said CMHC regulations come in. Mr. Bruyer said a letter to Carma from ERPC implies some reconcounting could be done, "but I am not sure how much," Coun. Lukay noted the ERPC is changing rapidly regarding rivers and ravines over the last few months, realizing the damage from development near rivers and ravines.

Mr. McDougall said it is a difficult situation for a developer when rules change from the date of purchase, making it hard to control or plan. He felt the reconcounting could be done with minimum damage, but said the Department of Environment would probably take over.

The recommendation of the Administrator for the 68 lot plan was moved and vote carried 5-2 with Mayor Gibbon and Coun. de Bruijn opposed.

Hi there,

I'm the Gazette, your friendly weekly newspaper. Most of you folks probably know me quite well, but for those of you who are recent subscribers, I'd like to tell you a little about myself.

My biggest job is recording and passing information on to you. I like to report on all the important and interesting local news from in and around this community. As well as being informative, all my stories are clear and factual.

An equally important part of my job is advertising. Whether its choosing a service, becoming acquainted with a product, or checking on prices, I try to lay out modern, creative display advertising to help you choose when you buy. Just short of the back page in each issue are the classified ads, which help hundreds of people each week. Their packed with savings, services and results.

Well, this should tell you quite a bit about my duties, and I trust you'll see more of me in the future. I'll see you all next Wednesday!

You can receive a copy of the Gazette each week at a cost of \$4.50 for a yearly subscription, or by carry delivery for 10¢ a week. The Gazette is also available at the following places at a cost of 15¢: Chriss' Groceries Mac's Convenience Store, Seven Eleven, Super City Drugs Emery's Pipe Shop and at the Red Roosters in Lacombe Park and Sturgeon Plaza.

You can phone me at 458-2240, or write to me at Box 263, St. Albert.

The friendly faces in the picture are St. Albert's crew of playground supervisors. They are taking good care of the many youngsters who drop down to the playgrounds, organizing the fun, games and things to do over the summer months. In the top row from left to right are: Don Edwards - Sturgeon; Cindy Cairns - Sturgeon; Suzanne Jewitt - Grandin; Val Mogek - Program Supervisor; Joanne McDonald - Braeside. Bottom row, from left to right are: Dulea Page - Mission; Betty-Anne Hennessey - Mission; Cindy Smith - Grandin; and Susan Romaine - Braeside.

Former residents bring visitors to St. Albert

Former St. Albertans Ray and Bea Watkins from Calgary, are in St. Albert visiting old friends and in addition showing their special visitors around. They have with them three girls from Japan, in Calgary under the Lions International Youth Exchange program, in which the Chinook Club, which Ray belongs to, participates. Meanwhile the Watkins daughter, Linda, is in Japan for six weeks, visiting Tokyo Kyoto and smaller centres. Doug Watkins went last year under the same program, and the Watkins hosted two Japanese boys.

They have toured the St. Albert Museum, Storyland Valley Zoo and the Alberta Game Farm, and took in the Klondike Promenade Sunday, when the Japanese girls wore their native dress and many people took their pictures. They were also interviewed at the promenade by a Japanese journalist from Sapporo. The visitors were equally impressed with the beautiful Klondike outfits and

had been prepared by Bea, who showed them books and pictures on the Gold Rush history before they came. While here they plan to visit the Legislative Buildings, AGT Tower and the Provincial Museum.

All of which is a pretty busy schedule for the Japanese university students, who also have homework daily. The objective of the Lions program is to give the students a better understanding of the customs and way of life in other countries through living with families. While the Japanese girls have learned to read and translate English in school, they have had little opportunity to speak it - "They get better every day," says Bea. One girl works each night translating a book into English and the other two are reading English books, including "Little Women." All are enrolled in university in Japan, one girl in zoology and the other two

in Japanese literature.

Monday night the Watkins and their guests were entertained for supper at the home of Gerry and Shirley Fisher and last night were the guests of Ken and Hilda Crerar. In addition to saying how much they are enjoying the Japanese girls, Bea volunteered the information that Son Doug is presently in London, England, visiting at the home of his girl friend, whose father is in the Canadian Embassy. He will continue his studies at S.A.I.T. on his return and is planning to be a Chef.

PROCLAMATION

By virtue of the authority vested in me pursuant to Section 237 of the Municipal Government Act being Chapter 246 R.S.A. as amended, I hereby proclaim Monday, August 5, 1974, to be a Civic Holiday in the Town of St. Albert,

Dated at St. Albert this 17th day of July, 1974.

R. M. GIBBON,
MAYOR

The winners of the stereo and TV which were given away by the Belmont Credit Union were Mr. and Mrs. Larry Lefko of Edmonton. The contest was for Credit Union members and one ticket was drawn to determine the winner. Mr. Harford Watson (left), membership relations officer, and Mr. Loren Bourget (second from left), Belmont Credit Union manager, congratulate Mrs. Lefko and her daughter Karen on their winfall.

YES program working well

The Y.E.S. program being operated this year under the auspices of the Town Recreation Department is going very well reports Rec. Co-ordinator Renee Laird, and Shawn Nittall who is in charge of it is also helping

out with various other jobs in the department.

About 70 students have registered under the program and 50 of these have been placed, mainly in odd job assignments such as mowing lawns and other landscaping work, cleaning up garages and so on. Shawn also noted that there have been many more registrations of boys than girls, 55 of the 70 being boys. She feels that this is partially because YES is not taking babysitting jobs, but rather referring such requests to Mrs. Louise Rasmussen who

conducts courses in babysitting for St. Albert young people.

Most requests come from householders, but three business placements have been made. One boy has become a goat herder, tending a herd of 75 in the district.

The program is funded through the Department of Culture, Youth and Recreation and Co-ordinator Jackie Helten, who oversees a number of youth employment programs throughout the area, reports that St. Albert's is one of the best she has observed.

AROUND TOWN

Renee Laird has been enjoying a visit with her niece, Claire Mulligan, daughter of her brother Roy of Larne, County Antrim, Ireland, and Claire's friend Eileen Rogers. The girls, both 16, will be completing their last year of high school next year and both have then been accepted into the nurses training program at Edinburgh Hospital. They returned to St. Albert Monday evening after a trip to the Calgary Stampede, Vancouver and Victoria, and will be going home next Monday. The girls have been here since June 27th and have been well entertained by Claire's cousin, Stephen Laird, a student in Medicine at the University of Alberta.

Mr. and Mrs. Cliff Munroe of 28 Sunset have enjoyed a number of visitors over the past three weeks. Mrs. Munroe's aunt, Mrs. Emma Ballenger from South Gate, California left Saturday after a three week visit, and her son and daughter in law, Mr. and Mrs. Richard Lewis from Yucca Valley, California were also here for the first week of Emma's stay. The Munroes also had a visit from their son Monty and his wife Carol and two young sons, from Sarnia, Ontario, and another aunt, Yvonne Lafond from Pamoona, California is presently at Kelowna, but will be back at the Munroe's this week. While here Mrs. Ballenger enjoyed meeting old friends, the Alphonse Sevigny's, whom she hadn't seen for many years.

Wally McSweeney was late for rehearsals of "Dirty Work at the Crossroads" a while back, but he would have missed it altogether had it not been for a young lady enroute to St. Albert. Wally, who was travelling with his young son, had car trouble and Betsy Thurgood picked him up near Red Deer and took him to the city. She is the daughter of Judge Thurgood in Calgary and is planning to move to St. Albert soon. On the Friday evening in question Betsy was on her way to visit the Bauers on Gaylord Place, being a friend of Murray. She was given tickets to the Klondike melodrama by a grateful Mr. McSweeney.

Mr. and Mrs. George Croft of Liverpool, England pose with Shirley Martin in her "Ruby Rivers" attire on the lawn at Shirley's home on Glenmore Crescent, prior to a Klondiking tour Tuesday evening.

Lost suitcase returned to English visitors

Mr. and Mrs. George Croft, visitors to St. Albert from Liverpool, England, would be very much interested in learning who the honest and kind people are that found their lost luggage and were good enough to return it.

The Crofts are visiting with Mr. Croft's sister, Mrs. Charles Thompson and her husband at 28 Garden Crescent, and two nieces in St. Albert, Gladys Smith and Alma Hughes. They left with the Thompsons, Gladys and her three children on July 12th for a trip to Banff, and somewhere between Red Deer, when the luggage was checked at the Banff Park Gate, their suitcase fell off the top of the car. On their return the following weekend they were surprised and delighted to find that the suitcase had been returned and left at the caretaker's suite in Garden Crescent the previous Sunday. However, the person who returned it did not leave a name or address.

This is the second visit in three years for the Crofts and they like Canada very much. "It's hard to believe people are so honest," commented Mrs. Croft. They would really like to meet the person or persons who found their suitcase and

would appreciate a telephone call to their niece, Gladys, at 459-7505.

Plain disturbs Mayor

The Editor:

It is rather disturbing that Dr. R. H. M. Plain, an economist, would use maximum demand figures to illustrate water problems in the town when he should know, as do most people in his field, services are provided on an averaging factor rather than peak demand. We would otherwise be installing sewer services to handle 40 days and nights of heavy rain and water capacity to make the Sahara Desert

bloom. Economically, we couldn't afford it.

I would further suggest Dr. Plain should check on storage and water line capacities in other municipalities throughout Alberta. He may just be thankful he lives in St. Albert.

Dr. Plain's figures suggest a 910,000 gallon per day shortfall under peak demand. My calculation shows it to be 950,400 gallons per day shortfall for a maximum of 3,577 rather than 3.7 days.

This assumes peak demand over a continuous period of 85.85 hours with no fire as the 2.1 million gallons are still in reserve for this purpose. Therefore, everyone leaves their taps on for 85 plus hours - again not too economical.

I am quite aware a water shortage occurred. I will repeat again I am embarrassed about the fact a 2-million-gallon reservoir was not filled when it should have been - for this I apologize.

When a serious item reaches the level of the nit-picking stage, I believe it is time to call a halt. This I intend to do. I hope Dr. Plain will extend the same courtesy to the people of St. Albert.

R. M. Gibbon, Mayor
Town of St. Albert.

COMMENT

Development Agreements:

The Parkland Case

On Monday, July 22, 1974, the St. Albert Town Council reduced the developable land in the Carma Development in river lot 46 - next to the dog kennels - from 83 to 68 lots. This action on the part of Council was partially based on a Department of the Environment guideline that all buildings should be situated at a 2150 elevation or better and partially on the Town's belief that more of the river valley should be preserved for present and future residents of the community.

The Council deserves to be congratulated for its action in this regard; however, the Council also needs to formulate a specific development policy which is designed to maximize the total acreage which developers are required to dedicate to the river valley. The need for such a policy is evident. The Council had the choice of approving either a 59 or a 68 lot subdivision - both of which were based on different interpretations of the 2150 guideline. (The interpretation is centered around the degree to which "fill" earth is used by the developer in reaching the minimum elevation and the degree to which back-sloping of the "fill" impinges on the river valley below the maximum floodline which is approximately at the 2143 feet line). Unfortunately, the Council had initially approved the 83 lot development. This meant that the developer had a legitimate avenue for appeal of any Council ruling that was deemed to be of an "extreme" nature. The developer left the impression that the 59 lot development could fall into this category.

It is suggested that Town of St. Albert should formulate standard terms of reference for development agreements which reflect the policy guidelines developed by both the Council and by the citizens in the community. One of the many items that could be included in this list of specific terms of reference is a statement that "owners are required to dedicate to the Town free of charges all of the land bordering the Sturgeon which lies below the 2150 line." In the Carma case this type of a policy would have provided another nine lots for parkland.

It should be noted that many factors need to be considered in formulating general policies which guide the manner and way development agreements are formulated. One important consideration is the degree to which specific development policies affect the land prices paid for by individual consumers. Casual empiricism is sufficient to indicate that much more stringent conditions could be imposed on developers in St. Albert without driving them out of the market.

In summation, it is evident that the formal as well as the ad hoc development policies which have been adopted or devised by the Town of St. Albert over the past few years need to be carefully examined both in terms of their physical and social as well as their economic consequences. It is hoped that the Council will undertake and complete this task before signing any additional development agreements.

R. H. M. Plain, (Ph.D.)
President of St. Albert
Planning Committee.

Homeowners should check insurance coverage

John Smith paid \$60,000 for a new house in the summer of 1971.

He insured it for \$40,000 . . . total price less \$20,000 for the lot.

Just before his three-year policy expired the house burned to the ground. John Smith is out-of-pocket \$16,000 because it now costs \$56,000 to build the same house.

** ** *

John Smith is fictitious, but his dilemma of finding \$16,000 more for the same house could be all too real for many Canadians who have let their insurance stand still according to J. W. Henderson, secretary of the Property Division of Insurance Bureau of Canada.

"Construction costs have been increasing at about one per cent per month for the past three years," says Mr. Henderson. "Anyone who hasn't increased his insurance to keep pace could find himself facing a serious personal loss."

Mr. Henderson said that any homeowner who has not reviewed his home insurance coverage in the past year or so should do so.

"For most people their home is their most valuable single asset. It is an asset which is rapidly appreciating in value. It should be pro-

ected properly.

Statistics Canada studies of the cost of residential construction, including both materials and labor, show that building a house costs an average of 40 per cent more now than in January of

1971.

In the Atlantic provinces the increase has been 48 per cent; Quebec, 37.9 per cent; Ontario, 40 per cent; Prairie provinces, 40.2 per cent and British Columbia, 38.5 per cent.

Proud of Midgets

The Editor:

I wish to express my feelings towards my midget baseball club. I'm very proud of these boys and I feel their parents should be proud of them. I say this because the boys gave up their evenings for practices and games while their friends were having a good time. I also wish to express my sincere gratitude for the help they gave us and to the parents that came out and encouraged the team.

Thanks Guys.

Rob Johnston,
Midget Baseball Coach.

AROUND TOWN

Mr. and Mrs. Alphonse Sevigny from North Burnaby, B.C., are staying at the Northgate Motel while visiting with relatives and friends in St. Albert and district. They travelled by car via Kitimat and Fairview, stopping in Fahler to see Alphonse Courchesne, an uncle of Mr. Sevigny whom he hadn't seen for 30 years. The Sevignys are well known in the town and district and Alphonse worked for many years at Labelle's Butcher Shop on Mission Avenue just north of the Perron Street bridge.

Two St. Albert residents named to Hall of Fame

Two St. Albert residents were named Members of Canada's Aviation Hall of Fame in 1973, and both are Companions of the Order of Merit, the highest award in Flight. John Hardisty (Jack) Reilly and Moretta Fenton Beall (Molly) Reilly are both also Companions of the Order of Flight and members of the Canadian Aeronautics and Space Institute.

Mr. Reilly joined the RCAF in 1940, graduated as a pilot officer and following a distinguished career retired from the service as a Flight Lieutenant in 1946, having completed the most advanced military flight instructor's course available, earning his navigator's certificate and the most senior military pilot's license. He was then associated with Leavens Brothers Air Service in Toronto until 1949 when he joined Kenting Aviation of Toronto doing high altitude photographic studies and was promoted to chief pilot of their world wide operations which meant being qualified on 13 types of aircraft simultaneously.

In 1956 he went to Canadian Aircraft Renters in Toronto as superintendent of operations and three years later became chief pilot for Peter Bowden Drilling Services of Calgary who sought his abilities in operating aircraft over unmaped and hostile terrain under bad weather conditions. Over 20,000 hours as captain in command of 70 different types of aircraft Jack Reilly has not had a fatality in any operation under his command.

Molly Reilly was a member of the RCAF (Women's Division) from 1942 to 1946, serving in Canada as a NCO. She began flying instruction in 1944, earned her commercial license and used her military re-establishment credit to become an instructor in 1948. Her husband-to-be hired her for her first job with Leavens Brothers in 1948 and the firm allowed her leave to take an instrument flying course in Oklahoma. She later qualified for a Canadian public transport pilot's license and twin-engine aircraft rating. Molly took a course in Port Alberni in float-plane flying and then went to England where she earned a British commercial pilot's license.

She became chief flying instructor and charter pilot for Canadian Aircraft Renters at Toronto in 1954 and continued training, earning an airline transport license and class 1 instrument rating. With Southern Provincial Airlines she helped with developing an air ambulance service in eastern Canada. Molly joined Peter Bowden Drilling Services in 1959, working in the north as co-captain of a DC-3 often under extreme weather and without radio and navigation aids.

In 1965 Mrs. Reilly became a pilot with Canadian Coachways and later became chief pilot for Canadian Util-

Molly Reilly of St. Albert received the following citation when named a member of Canada's Aviation Hall of Fame: "Her dedication to flight, her self-set demands for perfection, the outstanding abilities she has developed despite adversity, have made her a guiding light in aviation circles for others of her sex to follow and have been of outstanding benefit to Canadian aviation."

Jack Reilly received the following citation when named a member of Canada's Aviation Hall of Fame: "His application of outstanding skills and dedicated perseverance, in those demanding areas of flight he chose to conquer, despite adversity, have resulted in outstanding benefit to Canadian aviation."

ities. She has an accident their home in St. Albert for free record over 10,000 nearly 12 years and have a hours as a pilot in command. 13 year old daughter Helen, The Reillys have made and a son, Patrick, aged 12.

Things To Do

K-Days entertainers interviewed at St. Albert Inn

Teo Keawe and Jana Lapel are two delightful and captivating performers currently appearing at the Norwood Legion. They are doing alternate shows nightly throughout Klondike Days. Jana, Teo, and their agent, Maureen Saumer were interviewed at the St. Albert Inn where Jana is staying while in Edmonton.

"There is nowhere in the world like Edmonton," says Chicago based Jana, "You are treated as a person instead of like a machine as so often happens in the States." Jana made her first appearance on stage at age three when she sang "Yes Sir, She's My Baby." I have been told that I would sing that song whenever I thought I was going to get spanked for doing something wrong when I was little.

Jana began singing professionally when she was 10, on Iowa Radio. She toured with her family musical comedy show during her teen

years and by the time she was 16 she had her radio show. Since she first started out in the business she has appeared on club dates, in revues, lounges, and dinner rooms from New York to California and from Edmonton to Ottawa. In fact, this is her fourth appearance in Edmonton for Klondike Days.

Teo Keawe began her career when she was four and had her first night club appearance when she was seven, appearing with her mother in Kaula, Hawaii. She was brought up by Henry Johnson to join the Royal Tahitians at Disneyland. She performed there for 13 weeks per year from 1960 to 1967. Her first solo show continued for 11 weeks at the Sherwood Inn in Calgary. Many other performances in Canada and the U.S. are credited to Teo.

Teo now lives on an acreage in the St. Albert area, "I need the room for all my animals." She has lived in Canada for five years

and confesses that she has become a real farmer, complete with chickens, horses, and several dogs completing the farm stock. She also says that she has a good feeling for Edmonton and St. Albert, often dining at the St. Albert Inn.

There are two shows nightly at the Norwood Legion. The first begins at 10:15 and the second starts at about 11:15. The Bros. Bogaardt Expansion back up Jana and Teo has her own band behind her for her act. Teo's hand back up Jana for the downstairs show with the addition of pianist, Pat Poproski. Completing the entertainment at the Norwood is Jody West with a full stage production including "Space Exotics," "Harem's Delight" and "Tribute to Hawaii." Jody West has done extensive tours of Canada and the U.S. She has also appeared in St. Albert and area.

The entire Norwood Legion show was on the promenade on Sunday at Stage 6. Both Jana and Teo will be doing benefit performances. Teo will be at one of the senior citizens homes in Edmonton and Jana will be putting on shows for patients in hospital.

Jana Lapel (left) and Teo Keawe (right), two of the entertainers currently appearing at the Norwood Legion for Klondike Days, were at the St. Albert Inn on Monday, July 22. With them in the picture is Mr. Earl Shermack, manager of the St. Albert Inn, who was happy to pose with the two beauties.

Allan Sisters at the Corona

The Allan Sisters shows at the Coronation Dining Room of the Corona Hotel are getting great reaction from Klondikers this week, and are worth seeing if you're planning a night on the town. Although they haven't been at K Days for a couple of years, Coralle and Jackie, well known singers with the Tommy Hunter television show are by no means strangers to Klondike, being regular visitors at the Embers when Tommy had the club, both during Klondike time and otherwise. This year Maureen Saumers of Guldahl Productions brought the act in to the Corona.

The girls were born and raised in Edmonton and started their career with two other sisters, Kay and Connie Farley with an Edmonton variety show under director Jack Unwin, later going to Toronto as a quartette called "The Tops." Later they worked a few

months in England before returning to Toronto where they worked night clubs including the Beverly Hills and King Edward Hotel. After they got into recording and background vocal harmonizing they joined the Tommy Hunter show as part of the Coach 'N Four singing group, and later as a regular feature, the Allan Sisters.

They have done tours in Cyprus entertaining the Forces and in Germany, for the CBC and nightclub acts in Montreal and Saskatoon and also some recording. "Our

new album is doing quite well," said Coralle in an interview Tuesday. It's on Arpeggio, distributed by RCA and the song "Somewhere There's a Mountain" written by Dick Dameron was well aired in Calgary.

You can catch the Allan Sisters nightly at 10:30 and 12:30, backed up by the "Society of Four," a Saskatoon group. The special K Days show has Gold Rush songs and a funny skit and the late show is more contemporary. Yes - they are indeed sisters!

SAT. & SUN, AUG. 10 - 11 - Saints Baseball Tournament, Mission Park Diamond.

BADLANDS

In its own way this movie tells its own story, but is just another flick revealing another tale about the demented part of our society. With corruption and brutal killings becoming more prominent and intent in the world, shows of this kind can bring us a certain awareness of the situations and the make-up of a murderer. Badlands depletes the killer as a slow, easy-going young man who treats his deeds with indifference and compensates his guilt with the love he has for a young girl.

Martin Sheen plays the part of a young part-time garbage collector in a smaller North Dakota community, who captures a young, attractive girl's heart. The girl, played by Sissy Spacek, who first came to the screen as Poppy in Prime Cut (with Gene Hackman and Lee Marvin) lives with her father in a drab existence of loneliness, which is soon ended when her father, (the remarkable Warren Oates) is shot and killed by Martin. From here they hide out for a while, and then race across the prairies in search of freedom, which results in a small chase and arrests in Montana. This movie does not reflect much excitement, as it follows the slow, easy manner of Sheen and the quiet, naive nature of Sissy.

Badlands is now showing at the Klondike Theatre and is rated restricted adult.

Premier to open Banff Festival

On August 1, Premier Peter Lougheed of Alberta will officially open the 1974 Banff Festival of the Arts at the Eric Harvie Theatre. This year's Festival will run August 1 to 17.

The first evening's performance will be Joseph Stein's 'Fiddler on the Roof.' Irene Prothro, head of the Banff Centre's Musical Theatre Division, will direct the production with musical direction by James Beer of the Southern Alberta Opera Association. Costumes will be designed by Helen Hutton, and stage settings by Lazalo Funtek, theatre director for the Banff Centre. The principal role of Tevye will be played by Alexander Gray, lead baritone with the Canadian Opera Company. Jeanne Lougheed, the Premier's wife, will also play a personal role in the 18-day Festival when she opens an Art Exhibit, to be held July 26 to August 9 in Banff's

Peter Whyte Gallery. The unique cross-section of distinguished contemporary Canadian artists represented are all faculty members of the Banff Centre Drawing and Painting Division.

The diversity and excellence of performance planned for the 1974 Banff Festival of the Arts is unique in Canada. Mozart's opera "The Marriage of Figaro"

will be performed in English. James Reaney's bold new drama "Sticks and Stones" will introduce us to the infamous Black Donnelly's, and this year's Festival Ballet offers a kaleidoscope of new contemporary, classical, and jazz ballets. Music concerts and recitals are scheduled every day featuring students and internationally famous musicians.

AROUND TOWN

Gerry and Ethel Ward entertained a number of friends and relatives at their home on Flagstone Crescent Sunday evening in honour of their visitor Margaret Harness from Haughton Le Skeer, near Darlington in north England. Guests included Mrs. Sarah Avery and her daughter Margaret of Darlington, who are visiting with Mrs. Avery's daughter Betty and her husband Tony Schiavon of Fenwick Cres-

cent. The Wards and Mrs. Harness returned last week from a trip to the Calgary Stampede, Vancouver and Victoria B.C. They took in the Nanao Klondike barbecue and dance Saturday evening and this week will be visiting the exhibition grounds and catching some of the city's K-Days shows, before Margaret returns with the Avery's Thursday evening. The English visitors have been here for a month and report a thoroughly enjoyable trip. Mrs. Avery, a spunky 72 year old has been in Canada before, but it is the first visit for the two Margarets, who are impressed by the vastness of the country and the distances between major centres.

Jerrie at Northcote

St. Albert residents who remember meeting last year's Klondike Kate at the Trail Riders of '98 reception sponsored at Lions Park by the Chamber of Commerce, will be interested to know that Jerrie Cox is presently playing at the Northcote dining room (next to Switchboard Lounge) at McCauley Plaza. Gerry and her husband Bill James are staying at the Edmonton Plaza. Back in Chicago Gerry has her own club now, and while she is here a recording advises Chicagoans that she is playing at Klondike Days in Edmonton.

She has also been doing some benefit performances and had a Promenade stand. This gal is an accomplished professional and can really belt out a number - Recommended Klondike fare.

To say Ram Falls is a beautiful sight would certainly be an understatement. The Falls are 18 miles south of Nordegg and must be seen to be believed. The canyon on the downstream side is formed by colored rock, indicating the high quantity of mineral content. The strata in some places is horizontal, in some vertical, and at every angle in between. The water runs fast and white and is within easy walking distance of a campground with shelters and tables.

Art in action at N.W. Utilities Inn at Ex

Visitors to the Northwestern Utilities Inn at the Edmonton Exhibition this year will have an opportunity to meet and see at work some of Alberta's outstanding artists.

The Northwestern Klondike Inn has featured a different theme during Klondike Days for over 10 years. The 1974 theme will focus on artists from Alberta working in different art fields. Visitors can see artists undertaking oil paintings, water colours, weaving, batik, sculpture, wood and stone carving, silversmithing and even Chinese art on rice paper and Eskimo carving.

The Alberta artists include Lee Beames, Meredith Evans, John Weaver, Marlene Evans, Almira Nicol, Gemella O'Brien, Vikt Wynnchuk, Fran Partridge, David Piquokun, Esther Freeman, Dorothy Shute, Jean Weddell and Paul Van Im Schoot.

The Northwestern Inn will be open for visitors from 12 noon to 11 p.m. each day and the artists' workshop will be active from 2 to 8 p.m. daily. A different group of four or five artists will be featured

each day. The gas company building is located in the southeast corner of the grounds adjacent to the Lion's Dream Home and the giant slide. Finished work of the artists will also be on display at the Inn. The presentation is free to the public and is presented as a part of Northwestern Utilities' program in support of Klondike Days festivities.

KINDERGARTEN

THE ST. ALBERT DAY CARE CENTRE still has some openings for September 1st. A complete kindergarten program is provided for 4 1/2 year olds - 5 1/2 year olds who are in full attendance at the Centre.

SPORTS

St. Albert Midgets bow to Leduc in regional finals

St. Albert's midget baseball team, sponsored by the merchants of Grandin Shoppers Park, lost to Leduc 12-1 in the finals of the regional provincial baseball finals held in Morinville over the weekend. Leduc now advances to the Northern Alberta finals this weekend in Edmonton. St. Albert will have one player on the Leduc squad as shortstop Rob Walkingshaw was picked up by Leduc to play for them. Rob is an excellent player and should be a big asset to the club.

Four teams took part in the tournament which was a double knockout series. Bon Accord and host Morinville were the other members. Bon Accord opened the tournament Saturday morning with a 11-7 win over Morinville while Leduc scored a close 3-1 win over St. Albert. Sandy Millroy scored St. Albert's only run of the game in the second inning to give them a 1-0 lead. Leduc tied the game in the sixth and won it in the eighth with a pair of runs. St. Albert had runners on second and third in the ninth but couldn't get them home. Cletus Gagnon went all the way on the mound for St. Albert allowing only four hits while getting 10 strikeouts. Wayne Kaiser was the winning pitcher for Leduc.

In their second game Saturday, St. Albert scored three runs in the sixth inning to break a 5-5 tie and defeat Morinville 8-5. The loss for Morinville was their second straight and eliminated them from further play. Leo Gagnon started on the mound for St. Albert but gave way to Mike Mitchell in the fourth. Cletus Gagnon came in to relieve Mitchell in the seventh and held Morinville off the score-sheet.

Sunday morning Leduc won their second straight game with a 9-4 win over Bon Accord to win a berth into the finals.

St. Albert and Bon Accord played an error-filled slugfest in the semi-final match with St. Albert coming out on top with a close 13-12 win. Both teams held the

Paul McCann, (left) is all smiles as he is being congratulated by team-mate Travis Parayko for hitting a towering home run over left centrefield in the midget baseball tournament in Morinville last weekend. St. Albert won the game 13-12 over Bon Accord.

lead various times during the game that saw a number of umpire calls being argued by both teams. In all fairness Bon Accord probably got the worst of the calls.

Tom Parayko and Paul McCann had home runs for St. Albert while the other big hit for the winners was a double by Travis Parayko with the bases loaded, scoring three runs. Mike Mitchell Cletus Gagnon and Tom Parayko all pitched for the winners.

Despite the high score both clubs turned in some excellent fielding with St. Albert coming up with two double plays. The loss to Bon Accord knocked them out of the playoffs and left St. Albert the task of having to knock off Leduc, two straight, if

they were to win. St. Albert coach Rob Johnston was short of pitchers having used all his regulars and the fact Mike Mitchell had to miss the first game due to work.

It didn't take Johnston long to find out what would happen as Leduc jumped on starter Tom Parayko for three runs in the first inning and never looked back on their way to a 12-1 win. Leduc put the game out of reach in the third inning with six runs and a 9-0 lead. Steve Olsen scored St. Albert's only run in the third inning.

Coach Johnston said after the game that he was very pleased at the attitude and play of all his players during the three games and vowed he would be back next season.

Saints split pair

St. Albert Willowbrook Saints baseball club are having problems winning two games in a row this season. They took an easy 17-3 win over City Police Athletics Wednesday in St. Albert but then dropped a 9-6 decision to Osborne Real Estate Jr. Tigers on Thursday. Saints have won only four of 13 league games and three of those wins have come at the expense of the City Police team. Saints other win was a 10-7 victory over Camrose.

Five of the Saints losses have been by two runs or less and in four of those they led in the early innings.

In Wednesday's win over

the Athletics, Saints managed to hammer out 18 base hits including three each by Art Rechlo and Greg Taylor. Collin Walker had a home run for the Saints while Joe Seguin had one for the losers. Saints pitcher Nestor Sorobey had an excellent night on the mound allowing only three base hits and striking out 12 batters. Sorobey did not allow a hit until the eighth inning.

In the Tiger game, Saints fell behind 2-0 in the first inning but exploded for three runs in the second on Art Rechlo's home run to take a 3-2 lead. Tigers came back in the third with five runs on four hits to take a 7-3 lead and went on to win 9-5.

Saints next home game will be tonight when the Jr. Tigers are here for a scheduled game.

Saints baseball tourney

St. Albert Willowbrook Saints baseball club will hold an eight-team senior baseball tournament and beerfest the weekend of August 9-11. The beerfest to be held in the Community Hall Friday night will kick things off for the tournament to start Saturday morning. Final arrangements for the eight

teams to compete are not finalized but will be published at an early date. Teams competing will be going for \$50 per win.

Interested persons wishing to obtain tickets to the beerfest can call Hank Reinbold at 459-3731 or Art Rechlo at 458-1671.

Legal baseball tournament

Eight teams will be competing for \$1,000 in prize money this weekend when the Legal Fete an Village senior baseball tournament kicks off Saturday at noon. The prize money is by far the richest of any of the local tournaments in the area and will provide plenty of action for any baseball fan. The single knockout affair will get underway at noon with Lamont going against Vimy, Bon Accord and Westlock at 2 p.m., Legal and Plamondon at 4 p.m. and the last game going at 6 p.m. between Morinville and Linaria. The semi-finals start at 12 noon Sunday with the final slated for 6 p.m.

Morinville scored a 12-8 win over Vimy last year.

Thinking about tomorrow
... today

Pirate baseball crew finds nine an unlucky number

The number the Sturgeon Valley baseball Pirates of St. Albert would like to forget is "nine" - especially after last Saturday.

That was the day the battling local beaver division champs were dropped from further contention as the 1974 ABA playdowns rolled into the second weekend at Rochester. Although losing both ends of a back-to-back doubleheader 10-9 and 11-9, the Pirates returned home with "heads high."

The early morning game between St. Albert and Spruce Grove was played under threatening skies for the first four innings. Rain, and sometimes, hail, pelted down on the players. During that time, the booming bats of the Pirate crew were quiet. Their opponents, the newly-crowned Parkland County champions, fared somewhat better, moving ahead 5-2. Only Brent Galsbri's round-tripper off pitcher Grant Fuhr in the second, and Pete Tworek's run in the fourth kept the "sod farmers" from going scoreless.

It was shortstop Collin Parakoy's lead-off triple in the fifth inning that started, what might have been, a game-winning rally. Pitcher Tim Shipanoff, then, drew a walk. Both runners scored on Brent Weller's single to centrefield. Emil Pincodrew his second of four walks of the encounter and "things were looking good" but -- not for long. Weller was tagged scampering to third. In the excitement, Pincodrew to score run #2 of the inning. Robby Tooth looped a tall fly to right field that was caught for the second out. Making matters worse, Tworek was thrown out attempting to stretch a towering triple into a home run to end the Pirate's uprising.

Spruce Grove received a St. Albert "gift" in the top of the sixth inning when they tallied two runs on an overthrown ball to third base, to lead 9-5. Although the St. Albert troupe rang up four markers in the final two innings to one "loner" by the Reds, it wasn't quite enough. With the tying run on third, big Lorne Christensen was called out on a close play at first to end the game.

Pitcher Tim Shipanoff of St. Albert twirled one of his best games of the year, going the full distance for the losers.

ROCHESTER AVENGES LOSS TO ST. ALBERT

The second fray of the day matched the St. Albert entry against the home-town Rochester "Greens." Needless to say, the "Green Machine" was out to avenge last week's loss to St. Albert and wasted no time in taking a quick 9-2 advantage off the starters of Spruce Grove. Wade Katzmarsky, Relief pitcher Pete Tworek, coming on in the fourth inning, allowed the hard-hitting Pembina League Champs just three

runs the rest of the way. His Pirate-mates, in the meantime, were combining winning chucker Gordon Cohoe for seven runs. Trailing 11-7 heading into the seventh frame, the "Skull and Crossbones" gang from the Sturgeon area still proved to be a threat. Catcher Bobby Tooth nailed a hard liner that struck the right leg of pitcher Cohoe. The chunky Rochester hurler recovered to catch Tooth at first. Tworek, who hit seven for eight in the two tussles, plastered a ground ball through the shortstop (who let it go by) into left field. Katzmarsky walked. As Galbraith grounded to short, Katzmarsky and Tworek both scored, what turned out to be, the final runs of the tilt. St. Albert's hopes for victory were dashed when Umpire Franchuk thumbed Lorne Christensen out on another close play at home plate for the final out of the contest.

Following their hairline 11-9 win over St. Albert, Rochester knocked Spruce Grove from the ranks of the unbeaten with a sound 8-4 win. The talented Spruce Grove ADECO's camped overnight at the Rochester campground to await the "show-down" game Sunday.

In Sunday's affair, the "Groovers" blasted off to a 5-1 lead, but pitcher Grant Fuhr faltered and Rochester rallied for a comeback 6-5 win. The hometown "Greens" move on to another double knockout tournament to decide the Northern Alberta Championship. The site and date will be announced later.

For the second successive weekend, many St. Albert fans accompanied their team into Athabasca County. Three well-played games were the reward for travelling the 45-odd miles and return. Congratulations are in order for the St. Albert baseball representatives, coached by Lloyd Hanke. The Pirates are sponsored by the Sturgeon Valley Sod Farm. Many players on the squad gave up or postponed holiday vacation trips in order to compete.

Sturgeon Junior Golfing Notes

The second round of the Pepsi Nassau Junior Golf tournament will be held Monday, July 29, at the Sturgeon Valley Golf and Country Club.

St. Albert golfers taking part are Roberts and McKenzie, Strand and Walking-shaw, Roy and Weller, and Breskey and Roberts.

The first round of the tournament will be played this Friday at the Belvedere Golf Club.

Spruce Grove Panthers scored a 10-5 win over St. Albert Inn Monday night in St. Albert to clinch third place in the Sturgeon Men's Fastball League and settle the remaining playoff positions. Panthers had to come from behind a 4-1 first inning deficit to win the game.

St. Albert Inn shortstop, Vic Ring, doubled with the bases loaded in the first inning scoring three runs, and a single by Jack Hicks scored Ring for the Inn's fourth run. Panthers put together four hits in the second inning, one a two-run homer by Wally Gamble, and scored five big runs. Gamble was the winning pitcher while Larry Johannes took the loss. Johannes was throwing very hard and if he could have managed better control the Inn might very well have won. Old pro Earl Nelson was three for four at the plate for the Panthers and drove in five runs. Vic Ring and Brian Funnell had two hits each for the Inn.

Following the regular schedule the top four teams go into an A division playoff while the next four teams play for the B title. Fairhaven Falcons and Spruce Grove Jrs., did not make the playoffs but came up with some good games and will be heard from next year. Both are young clubs and a little experience will certainly help.

"A" DIVISION PLAYOFFS
St. Albert A's and Stony Plain Playboys tied for first place but the "A's" were awarded top spot due to scoring four more runs in the team's two meetings. The A's open their best of three series at home tonight against the Panthers, with the second game back in the Grove on Monday. If a third game is necessary it will be in St. Albert Wednesday.

Calahoo Chiefs travel to Stony Plain tonight for their

opening game with the Playboys with the second contest in Calahoo on Monday, and back in Stony for the third game is needed on Wednesday. Playboys are the defending champs.

"B" DIVISION PLAYOFFS
Enoch will be at home tonight for their opening game in the best of three

series with St. Albert Inn, with the second game slated for St. Albert on Monday. The other series has Stony Plain Kings going to One-way tonight and back to Stony on Monday. Kings won the trophy last year, their first in the league.

All winning teams are asked to telephone game scores to Lorraine Berube.

FINAL STANDINGS

"A's"	16	12	32
Playboys	16	2	32
Panthers	12	6	24
Calahoo	11	7	22
Enoch	10	8	20
Onaway	9	9	18

Sailfish win Leduc swim meet

The St. Albert Sailfish swim team romped home with another victory at Leduc. The meet was held over two days at the weekend. Other teams participating were Westlock, Devon and Drayton Valley, as well as the host team Leduc.

The Sailfish won the meet by a substantial points margin and of the 10 individual age group trophies awarded, St. Albert team members managed to carry home five.

The individual trophies were won by Claudette Larocque (10 and under girls), Tommy Munro (10 and under boys), Marle Matheson (12 and under girls), Denise Savole (14 and under girls), and Dale Cameron (14 and under boys).

Congratulations to these youngsters on a fine performance and to all the other team members whose efforts won the day.

Many athletes coming to Alberta Summer Games

The first Alberta Summer Games coming to Calgary, August 22 - 25, 1974, promises to be the largest and most complete gathering of Alberta athletes ever assembled. There will be 1,800 athletes in 20 different sports competing for two day intervals during this four day period.

Everything from sailing to archery and swimming to baseball will be staged. Over 40,000 athletes throughout the province will be participating in playdowns for the right to represent their community at the Alberta Summer Games in Calgary.

The Department of Culture, Youth and Recreation, Government of Alberta, in co-operation with Sport Alberta, will provide transportation, accommodation and meals for all sports as

designated by the Alberta Summer Games Committee.

Sports included which do not meet the qualification of equal representation within the province, as well as those whose full entry could not be accommodated due to limited facilities, shall be classified as "Associate" sports.

CLASSES OF COMPETITION

There may be two classes of competition within each sport; the Alberta Class and the Challenge Class.

A. Alberta Class Competition:

The Alberta Class of competition for each sport will have the largest number of competitors. All sports which have representatives from all the seven Alberta Games Zones will be included in the aggregate stand-

ings for the Alberta Summer Games Championships.

The competitors in the Alberta Class Competition for the Summer Games Championships may not have participated in, or intend to participate in their own sport's 1974 Junior or Senior Canadian or International Championship.

B. Challenge Class Competition:

Some sports MAY have a Challenge Class Competition. The Challenge Class is not restricted to equal zone representation and may include the National or International calibre of athletes.

Medals will be awarded in this class, but aggregate point standings for all sports will not be kept.

ELIGIBILITY OF ATHLETES

1. The Games shall be open to Albertans whose major domicile has been the Province of Alberta for a period of one year prior to the Games. (Exception - 5, see: Sturgeon).

2. Athletes competing in the Games shall be recognized by the provincial sports governing body concerned.

3. Each athlete shall participate in one sport only.

4. Each athlete shall compete only for the zone in which he or she has been a permanent resident for the period of three months prior to the Games.

5. Students attending school on a full-time basis outside their area during the games shall be permitted to compete for either their home area or their present resident area.

6. The minimum age of any athlete participating in these games shall be 13 years of age and over.

The age determining date for all events in all sports, will be set at August 21, 1974, unless otherwise specified by the sport.

Further enquiries should be directed to: Alberta Summer Games, P.O. Box 6930, Station "D", Calgary, Alta, T2P 2G1. Telephone: (403) 261-8700.

St. Albert to host tennis tourney

The holiday weekend of August 3, 4 and 5 will see St. Albert hosting the Edmonton and District "B" tennis tournament at the Mission and Sunset courts. This tournament is open to anyone who is NOT an "A" ranked player and who is a member of a club that is affiliated with the Alberta Lawn Tennis Association. Non-club members may still participate by paying an affiliation fee at the time of entry.

It is expected there will be a large entry from several Edmonton clubs as well as from St. Albert and Fort Saskatchewan. Entry forms and information may be obtained at the Tennis Clubhouse at Mission courts or by calling Lorne Wood at 459-8696. The deadline for

receipt of entries is Tuesday, July 30.

The St. Albert Tennis Club held a novelty doubles tournament on Wednesday, July 17 with 18 adults taking part in ideal weather conditions. The winning ladies for the evening were Shannon Lindenberg and Cynthia Sage while Bob Sage won out in the mens competition.

Tennis enthusiasts are reminded that the Mission

courts and clubhouse are supervised each week day and evening and during the day on weekends. Colleen Neeland and Bill Keech would particularly like to see more juniors out for coaching sessions from 1 to 3 p.m. each Monday and Wednesday and will help juniors or adults with tennis fundamentals throughout the day or evening.

Junior Olympics held in Edmonton

The organizing committee for the first ever Canadian Junior Olympic Games to be held in Edmonton, August 12 through 15 this year have finalized the price of admission to the Opening Ceremonies and the Games themselves.

Prices were kept to a minimum to enable family participation and to keep up with the involvement of youth. Admission to the Opening Ceremonies will be \$2 per person with admission to the Games will be \$1 per day for each individual. For only \$5 spectators will be able to enjoy four days of

top notch competition by Canada's future Olympians.

The one-dollar day pass will enable the buyer to attend any events of his or her choice for as long as they wish for that day. Tickets are now available through the Junior Olympic Office (433-4474) in Edmonton.

At the Opening Ceremonies on the evening of the 13th, history will be made with the most colorful ceremonies ever presented to a sporting event. In addition to the usual pomp and ceremony, 54 ethnic groups in full costume will welcome the athletes from across Canada.

THE PUBLIC UTILITIES BOARD FOR THE PROVINCE OF ALBERTA

IN THE MATTER OF "The Gas Utilities Act" being Chapter 158 of the Revised Statutes of Alberta, 1970;

AND IN THE MATTER OF "The Public Utilities Board Act" being Chapter 302 of the Revised Statutes of Alberta, 1970;

AND IN THE MATTER OF rates to be charged for gas supplied and services rendered by PLAINS-WESTERN GAS & ELECTRIC CO. LTD., the owner of a gas utility.

NOTICE OF PUBLIC RATE HEARING

APPLICATION having been filed with the Public Utilities Board by PLAINS-WESTERN GAS & ELECTRIC CO. LTD. (hereinafter called "the Applicant") (a) for an order of the Board fixing just and reasonable rates, charges or schedules for gas supplied and services rendered by the Applicant to its customers, and (b) for an order of the Board authorizing such interim rates as may, in the opinion of the Board, be required by the special circumstances of the case, pending the fixing of final rates.

NOW, THEREFORE, the Board hereby gives notice to all parties who may be interested that the Board will hold a Pre-Hearing Conference at the Law Courts in the City of Edmonton, in the Province of Alberta, on Tuesday, the 20th day of August, 1974 at 10:00 o'clock in the forenoon to consider and determine the location of the hearings, the date for hearing the application for interim rates, the dates for filing of material by interested parties and the hearing of interested parties as well as the procedures to be followed with respect to the conduct of the hearings.

FURTHER, the Board advises that those parties who wish to take part in this hearing may obtain the material filed in support of the application on or after Wednesday, the 24th day of July, 1974, by applying to the Applicant whose address is:

PLAINS-WESTERN GAS & ELECTRIC CO. LTD.
9924 - 63 AVENUE, EDMONTON, ALBERTA.

DATED at the City of Edmonton, in the Province of Alberta this 9th day of July, 1974.

Sturgeon

ladies golf news

June 9th competition winners were Daphne Anderson and Mary Barnes and not as published last week. Sorry ladies.

Last Tuesday's competition winners were Bernice Cook and Shirley Fisher.

Recently two members took in the Leduc tournament. Shirley Holman won 2nd in the 3rd Flight and Mary Barnes won 1st in the 4th Flight. Congratulations ladies.

Several members are entered in the Devon and Belvedere tournaments on July 27 and July 31 respectively.

Due to a low entry the Sturgeon Ladies had to call off their tournament which was scheduled for Monday, July 22.

The Sturgeon Ladies Club championship play starts this week. Results will be published at completion of competitions.

Twenty-three ladies turned out to golf yesterday. Competition winners will be announced next week.

YOUTH EMPLOYMENT SERVICE:

Students looking for casual employment and house-holders and businessmen looking for casual labour should phone 459-6601, extension 68 between 8:30 a.m. and 12:30 p.m. or call during the same hours at the Youth Employment Service office, in the recreation department in the Town Hall.

SWIMMING:

More classes at all Red Cross levels were scheduled this year and after registration last week for the next two sessions there are openings in all categories as well as the Mothers and pre-schoolers class and the Senior Plus class. The Senior Plus class is a class for children who have passed the senior level and is designed to introduce them to varied aquatic skills; strokes used in competitive swimming, some instructing, synchronized swimming etc.

The first session runs from July 29 - August 9 and the second from August 12 to 23 with classes held at varying times between 8 a.m. and 12 noon. For information about openings, please phone the Dept. of Recreation at 458-6601.

Registrations are also being taken for the Bronze Medallion course which will be held on Mondays, Wednesdays and Fridays from 6 - 7 p.m. from July 29 - August 23.

A water safety leader course is being offered for the first time at the pool. This course is intended to serve as an introduction to

the leadership role in aquatics and to establish a prerequisite for specialized training as an instructor at a later date.

Candidates must be 15 years old before the completion of the course and have a Bronze Medallion or equivalent. The course will be held on Mondays, Wednesday and Fridays from 6 - 7 p.m. from July 29 - August 23 with lectures on theory held at 7 p.m. on the Mondays and Wednesdays during this period. The cost is \$15 which includes the Red Cross fee of \$10 and \$3 for materials. A limited number of registrations will be accepted at the Recreation Dept.

MILE SWIM:

A Mile Swim is due to be held at 9 p.m. on Sunday, July 28 - the special skin-diving session is cancelled on that evening.

It's amazing how many people think they can't swim a mile and they find they can - what a boost to the ego. The Mile Swim Award is sponsored by the Alberta Safety Council and anyone interested - or curious - about their stamina or powers of endurance can put them to the test at 9 p.m. on Sunday.

The only cost involved is the usual admission to the

pool and if the mile is finished within a certain time, a crest is available at a small charge. And adults, please don't remain in hiding! There is no age limit but every time a Mile Swim has been held before only the youngsters appear to have any confidence. Another Mile Swim is planned for August 29 and at the moment the award of trophies is being considered - and one will definitely be for the oldest mile swimmer meeting the standard time - 45 minutes.

TENNIS:

From 10 a.m. - 9 p.m. on

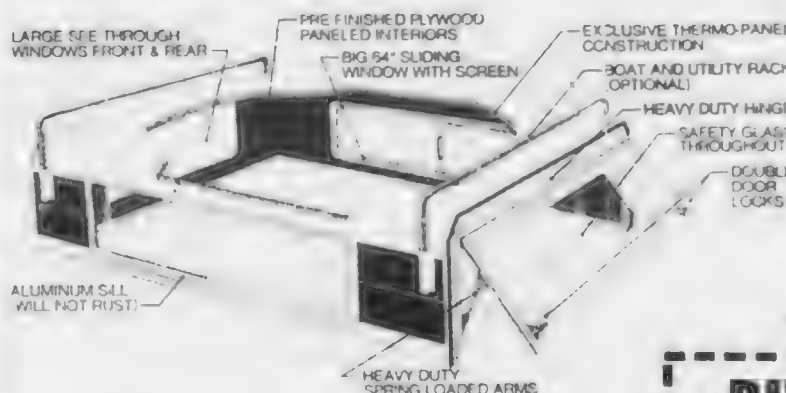

weekdays and from 10 a.m. to 4 p.m. on Saturdays and Sundays, Colleen Neeland and/or Bill Keech are at the tennis courts and clubhouse at Mission Park. They are there to supervise activities and give guidance to those requesting it, arrange games, etc.

On Monday and Wednesday afternoons, juniors interested in improving their game get special attention between approximately 2 and 4 p.m. Both Colleen and Bill are excellent tennis players and these sessions provide excellent opportunities for the younger fry to

learn more about a game which is becoming increasingly popular.

PLAYGROUNDS:

The playground program for the 5's and over continue to be well patronized. At the rink shelters in Grosvenor Park, Mission Park, Braeside and Mission Park the children enjoy a varied supervised program of arts and crafts, games, etc. from 10 a.m. - 12 noon and from 1 - 5 p.m.

Joint road program to aid truck traffic

The first phase of a Federal/Provincial highway strengthening program in Alberta involving a federal contribution of 25.15 million over the next five years has been announced jointly by Transport Minister Jean Marchand and Alberta Minister of Highways and Transport Clarence Copithorne. The intent to enter into

such an agreement was announced at the Western Economic Opportunities Conference (WEOC) last July. The program is designed to permit interprovincial truck traffic to operate more economically and efficiently between British Columbia and Eastern Canada. The construction work will be the responsibility of the Province of Alberta. On these highways the provincial load

limits will be raised to permit gross vehicle weights of 110,000 lbs. and a maximum single axle load of 20,000 lbs. with a implementation schedule to be announced on or before August 1, 1974. Similar load increases will be announced for connecting links in the Rocky Mountain National Parks. An extension of the program will be negotiated during the initial five-year period.

Get Up and Go

Ground beef important

Ground beef consumption is an important part of the Canadian diet. A report conducted by the Food Prices Review Board indicated that nearly 30 per cent of the total consumption of retail beef cuts is as ground beef.

The carcass of a fed beef animal (i.e. Canada A carcass) provides the retail store with beef cuts of 'table beef' and in addition, yields trimmings for use in ground beef. Another major domestic source of ground beef is the meat obtained from Canada Grade D cow carcasses, however, this supply is declining as the number

of dairy cows declines.

As Canadians we are indeed fortunate in many respects. Our food supplies are abundant and the quality and wholesomeness is top notch. Our big problem is we have become accustomed to adequate supplies of modestly priced foods, and when prices advance in response to supply and demand factors, both at home and on the international market, we fail to understand the reasons. If we are to have adequate future food supplies, we must pay prices today to encourage further expansion in output.

Original RCMP trek recreated by students

100 years of Alberta and RCMP history is being recreated in a travelling audio visual display, presently touring the province.

The display, a project of junior high students from Hamilton Junior High School in Lethbridge, was partially financed by a grant from the Alberta RCMP Century Celebrations Committee. Dr James MacGregor, chairman of the committee, described the Hamilton Trek '74 project as 'one of the most remarkable projects ever to come to the attention of the committee.'

The project, initiated in 1972 by Mr. Bruce Halg, teacher-co-ordinator, involved more than 80 grade eight and nine students aged 13 to 14. The display is self-contained in a custom-built trailer and is automatically, electronically operated. Much of the travelling exhibit consists of slides and tapes made by the students in May 1973 when they retraced the trek of the original NWMP force from Dufferin, Manitoba to Fort Mac-

Leod, Alberta.

The 'Hamilton Trek '74' display began its tour of Alberta in April, 1974 and ended the first portion of its '74 Trek on July 15 when it returned to Lethbridge for 'Whoop Up Days.'

On July 18, the group left

Lethbridge for the second portion of the tour which involves a week long stay in Edmonton during Klondike Days, visits to Northeastern Alberta communities, Jasper, Banff, Turner Valley and finally in Nanton, Alberta on August 13.

Historic painting stolen

One of the 12 paintings
commissioned by the Horse-
man's Hall of Fame in com-
memoration of the Alberta-
RCMP Centennial Celebrations
was stolen from the Big Four
Building during the Calgary
Stampede.

The painting, by Alberta
artist Harry Savage, was
of Crowfoot, Chief and spokes-
man of the Blackfoot Na-

tion at the time of the arrival
of the NWMP to Alberta.
Since its unveiling in Jan-
uary the series of paintings
has been viewed by more
than 300,000 people through-
out Alberta.

The Horseman's Hall of
Fame has made a plea to the
public for the return of the
historically significant
painting. Its loss will mar

the total concept of the col-
lection which presented the
outstanding historical fig-
ures between 1874 and 1877.

The painting, entitled --
Crowfoot, is 22 inches wide,
28 inches high, an acrylic
medium on masonite backing
with a three inch gold frame.

The remaining 11 paint-
ings are being displayed in
tribute to the Alberta-RCMP
Centennial Celebrations at the
Carling O'Keefe exhibit at
the Sportex Building on the
Edmonton Exhibition Gr-
ounds.

Garrett - Luke Wedding

On June 29 a lovely wedding was solemnized at St. John the Evangelist Church in Edmonton when Fr. M. Campbell offered a wedding mass for Maureen, daughter of Mr. and Mrs. Ken Luke of Edmonton and David, son of Mr. and Mrs. Jack Garrett of St. Albert. Readings were done by Jack Garrett, brother of the groom and Susan Connolly. Soloists were Mr. Dick Leggett singing Ave Maria and Miss Donna Brouse, cousin of the bride singing We've Only Just Begun. Mrs. Marion Amon was organist.

The bride was lovely in a traditional floor length gown of nylon with lace overlay and lily point sleeves. Her waist length veil was held in place by a crown of roses and daisies. She carried a bouquet of mixed spring flowers.

Maid of honour, Michele Madu and bridesmaids Frances Luke, Peggy McKernan, Susan Connolly and Diane Garrett wore identical floor length gowns of blue polyester with small dark blue flowers. They carried bouquets of blue carnations.

Best man was David Lehr and groomsmen were Jack Garrett, Steve Payne and Al Short.

Mother of the bride was lovely in a blue polyester crepe with white daisies. Her corsage of white daisies complimented her dress.

Mother of the groom chose a dress of ice orange chiffon complimented with a gardenia corsage.

The reception and wedding

MR. & MRS. DAVID GARRETT

dance was held at the Mayfield Inn where Mr. Rollie Lewis of Calgary was master of ceremonies. Grace was said by Mr. Charles Flarely uncle of the bride. Toast to the bride was able given by Mr. Ernie Breech. To which the groom replied.

Guests from out of town included the groom's maternal and paternal grandparents, Mrs. A. Bredtke of Chemanuive, B.C., and Mr. and Mrs. J. Garrett of Claresholm. Other out of town guests attended from

Vancouver and Haney, B.C., Ottawa and Thunder Bay, Ont., Calgary, Red Deer and Clive.

The young couple are making their home in Edmonton.

Witnesses convention open to public

In July, 1931, a group of International Bible students adopted a new name. During the past four decades that name has become known in many nations of the earth. It is Jehovah's Witnesses. They point to Psalm 83:18 as support of the importance of this name. "That men may know that thou, whose name alone is JEHOVAH, art the most high over all the earth."

The commission the Witnesses apply to themselves is found in Isaiah 43:10, 11 (American Standard Version) which states: "Ye are my witnesses, saith Jehovah, and my servant whom I have chosen; that ye may know and believe me, and understand that I am he: before me there was no God formed, neither shall there be after me. I, even I, am Jehovah; and besides me there is no saviour."

Mr. Michael Farris,

chairman of the Divine Purpose district assembly of Jehovah's Witnesses in Canada states "the Bible assigns no other name to the true God, though it does describe him under various titles. It has only one personal name for God -- a name we cannot

ignore. It is Jehovah."

The Watchtower Bible and Tract Society are sponsors of the Edmonton convention being held August 1-4 and Mr. Farris said all sessions of the convention at the Edmonton Gardens are open to the public.

Accent from Akins

By Kristine Iddings
FOSTER CHILD
WRITES LETTER

The foster child, Choi Nam Kil, adopted by Lorne Akins Junior High School, has personally replied to us. The original copy of her letter, written in Korean and a translation, was received a few weeks ago. The letter reads as follows:

"My dear Sponsors: Hello everybody! How do you do? I am so happy to hear that you are my sponsor so I am writing you this letter to thank you for your kindness."

I am a little Korean girl whose name is Nam Kil. Now

I'm in the 5th grade and our family told me I had to study very hard. I'd like to promise you that I will try to do my best in everything I do.

Our city is located at the eastern coast and it is also one of the noted sightseeing places. There are many nice temples, historical remains and beach around it, so many tourists visit here year round. I am so happy to live in this nice place.

Today I will say goodbye for now and hope to hear from you soon. May God Bless and keep you safe in his loving care."

Nam Kil.

Calahoo plans big night

The pre-opening of the Calahoo foyer and hall in the new arena complex will take place on Saturday, July 27. The doors will open at about 8 p.m. for all to see the progress that has been made since the sod was turned on December 8, 1974.

The foyer and hall are located at the south end of the all-metal building and will have deluxe facilities throughout. The evening will serve as an illustration of what the efforts of a small but determined community

can do to improve their hamlet and district with hard work and a spirit of co-operation.

Master of ceremonies for the short ceremony will be Mr. Larry Mitchell who will introduce some of the people who have been instrumental in the project. Following the ceremony there will be a dance with admission of \$2 per person.

Organizers are looking for a big crowd to be on hand and everybody is welcome to come-on-down.

The graduation and dance was held May 31 at Lorne Akins. The dessert party, held from 6 to 7 p.m. was emceed by Mr. G. Bueckert, who did an excellent job keeping everything rolling and in great humor. The dance followed, from 8 to 11, music supplied by Bluebird - a band well appreciated by the students.

Many teachers are to be thanked for giving up their own time to help with this year's Prom, and we do thank them very much.

Rejoice Together

Last roundup hosts interesting guests

Last Round-up (Gibbons Senior Citizens) held their regular meeting June 27 in the Legion Hut.

Marjolaine Chamberland attended to give us information regarding tours, recreation etc. for the summer months, July 24 - 29 there will be a group from Ontario visiting at Morinville. On July 25 a supper will be held. Tickets for this event were left with Eula Mabbitt and anyone interested can purchase them from her. Admission is by ticket only - cost \$2.50 each.

She also informed us that the two tours - "The Mighty Peace" and "The Scenic Circle" would now cost \$90 plus meals. They will be conducted July 16 - 20.

She also informed us she would make plans for any one-day tours we would like to have and arrange the transportation.

Following this Mr. Dick and Mrs. Sturtz spoke on behalf of "Pensioners Con-

cerned," Mr. Dick outlined the formation of associations, provincially, which in turn are associated with Pensioners Concerned (Canada) Inc. They already have at the Federal level obtained increases in the basic Old Age Pension and the Guaranteed Income Supplement. On the Provincial level (Alberta) there are extended benefits under Alberta Health Care and Alberta Blue Cross. Further benefits will come into effect July 1, 1974. Mrs. Sturtz spoke about other extended benefits including eyeglasses, dental care and hearing aids.

We were very pleased to have them join us for lunch. We hope to discuss at our next meeting the formation of a "Pensioners Concerned" association.

Roll call was answered by 24 members, including three new ones - Ada MacDonald of Bon Accord and Alberta and Gordon Spence

of Namaso.

Eula read a letter from the Sturgeon Regional Recreation regarding a new headquarters for handicrafts at Morinville. It also mentioned a travelling play-ground for Gibbons for which local assistance would be required.

Last Round-up had a float in the July 1st parade. Old time costume has been requested. We will meet at the Hut at 10:30 a.m.

Eula proposed a vote of thanks to Mr. Dick and Mrs. Sturtz.

A few hands of whist was played to finish the afternoon.

This is the best group of four at Riviere Qui Barre's 4H Achievement Day which went on to win over the other clubs in the North Central Region at the Sales Pavilion on July 4 also. From left to right - Norah and Paul Terreault, Denise and Jack Kerkhof.

Sturgeon Division reports school tax rates down

Walter Hepler, information officer, reports that Sturgeon School Division residents and owners of family farm property will find a 29.5 mill reduction in total school tax rates applied to their assessment following approval of this year's school supplementary requisition by the Divisional Board at its July meeting.

While the school supplementary mill rate will increase by 3/4 of a mill from 19.25 mills to 20.00 mills, the Educational Foundation Program mill rate of 29.5 mills will no longer apply to residential and family farm property as a result of new legislation approved by the Legislature last spring.

On a typical residential assessment of \$10,000 a Sturgeon homeowner paid \$490.50 in total education taxes in 1973 and received an education tax refund of \$216.00 for a net educational tax of \$274.50. In 1974 the same property, now assessed at \$12,000, will pay total educational taxes of \$240.00 and so will benefit from an education tax reduction of \$34.50 compared to last year.

A total school supplementary tax requisition of \$457,151 was approved for the 1974 fiscal year. The amount was established according to provincial government regulations limiting school board requisitions and represents the highest amount available to the School Board without resorting to bylaw and public plebiscite provisions. Of the total requisition, \$417,298 (91.3%) will be paid by residents of the M.D. of Sturgeon; \$20,388 (4.5%) by the Village of Bon Accord; and \$19,465 (4.2%) by the Village of Gibbons.

The school supplementary requisition will provide 17.4% of total projected School Board revenues for 1974. Projected revenues are as follows:

School Foundation Program Grants	\$1,939,828 (73.7%)
Other Provincial Grants	\$183,917 (7.0%)
Federal Government Revenues	\$26,043 (1.0%)
Supplementary Requisition	\$457,151 (17.4%)
Miscellaneous Revenues	\$24,000 (0.9%)

Total Projected Revenues \$2,630,939

Projected Expenditures for 1974 are as follows:

Regular Instruction	\$1,355,793 (51.5%)
Special Education	\$138,175 (5.3%)
Early Childhood Services	\$15,882 (0.6%)
Community Services	\$7,700 (0.3%)
Pupil Personnel Services	\$15,225 (0.6%)
Administration	\$125,106 (4.8%)
Transportation & Operation of Facilities	\$672,547 (25.5%)
Debt Services	\$256,423 (9.7%)
Capital Contribution	\$44,088 (1.7%)

Total Projected Expenditures \$2,630,939

M.D. hears proposals for RQB facility

Mr. Joe Sheehan and Mr.

Jim Kyle, representatives of the Riviere Qui Barre Agricultural Society, were present at the Municipal Council meeting on July 11 to seek the council's support in applying for a winter works grant for the construction of a proposed multi-purpose facility to be connected to the Camilla school.

The project represents the support and co-operation of three communities, Alcomdale, Mearns, and Riviere Qui Barre, and better than \$14,000 already raised in cash through donations from residents. The total cost of the project is estimated to be near \$181,000.

Mr. Sheehan noted that the Agricultural Society was willing to go into an agreement with the municipal council regarding the construction and financing of the project. He told the council that it was hoped that the project could commence this winter. The estimated cost of materials and labour was quoted to be \$81,000 and Mr. Sheehan stated that local labour would be employed.

The facility will be used for various agricultural functions, skating activities and community use. It is anticipated that the new facility will have an impact upon the use of the school which serves as the community centre.

Mr. Sheehan told the Gazette that he has found the support of the communities and private individuals has been highly encouraging and the aid given by M.L.A. Ernie Jamison was reassuring.

*Municipal District
of Sturgeon No. 90*

Notice of Public Hearing

Council of the Municipal District of Sturgeon #90 has set July 25th, 1974, 4:00 p.m. at the Municipal Office, as a date for a Public Hearing to discuss the alignment of Secondary Road #794 from Villeneuve north to Westlock.

Alternate routes have been designed to by-pass the hamlet of Riviere-Qui-Barre and ratepayers are invited to discuss the proposed routing.

Alphonse Nobert,
Secretary-Treasurer.

Bon Accord Council sets mill rate at 69

The main item of business dealt with at a special meeting of council held July 9 was to set the mill rate for the current year. Budget estimates received final approval of council and by-law #69 was passed, setting the mill rate as follows: School Foundation 31, School Supplementary 16, Municipal 22. Total mill rate - 69. Tax notices were sent out on July 15 and although this is one month later than the mailing date of previous years, the discount period of 60 days from date of notice will still apply. Deadline for discount - Sept. 15, 1974.

PROPERTY EDUCATION TAX REDUCTION:

All residential properties - single family dwellings, duplexes and apartments are exempt from the Provincial School Foundation Levy. This reduction has already been made on each tax notice. The notice shows the amount the School Foundation Tax would have been had it been levied.

The minimum grant to homeowners on their principal residence is \$100 or the total taxes, whichever is the lesser. In the case of a senior citizen who receives the guaranteed income supplement the minimum grant is \$200 or the total taxes, whichever is the lesser. Frontage Tax must not be included in this calculation. The five per cent discount does not apply to Frontage Tax either.

NEW BUILDING:
A second special meeting was held July 10 to discuss

a plan for the proposed new municipal office building and fire hall with the engineers. A plan has since been drawn up by Mr. Krya Nyhus of W. J. Framel and Associates and application has been made to the Provincially administered Winter Capital Projects Fund for a loan.

ZONING BYLAW #66:
At the regular meeting of council on July 15, Mr. D. DeGrandis, planner, Edmonton Regional Planning Commission, advised that the revised draft of the bylaw would not be ready for third reading at this meeting. It is expected that it will be available for the next regular meeting of council to be held August 19.

FLOODING CONDITIONS:

A large delegation of residents from Block 2 met with council to present a written submission regarding flooding conditions which are occasionally experienced in this area and which caused damage to basements and contents during the heavy storm of July 11 and 12. Spokesman for the group was Mr. Tom Hill. Following full discussion of the problem which seems to be caused by the high water level of the nearby slough and stoppage of the lift station due to power failure, Mr. Hill asked council to act on their behalf in finding a solution before fall. Council promised immediate action. The Dept. of the Environment has been asked to carry out a survey of the area.

CEMETERY:

Village council, in co-operation with the Bon Accord Cemetery Board has been looking into the possibility of acquiring land for roadways and parking at the Bon Accord Cemetery. However, due to the high cost of land involved, and since this matter does not come entirely under Village jurisdiction, the project has now been abandoned.

REGIONAL UTILITY BOARD:

Mayor Deedman, village representative of the Regional Utility Board, will attend a meeting with the Hon. D. J. Russell, the Hon. W. Yurko, the Hon. F. Peacock and Mr. E. Jamison, M.L.A. on Monday, July 22 to discuss and request a feasibility study on such items as sewer, water, transportation, recreation and all other items pertaining to the proposed area on a co-operative and regional basis. Representatives from St. Albert, Morinville, Legal, Gibbons and the M.D. of Sturgeon will also be present.

SUBDIVISION:

An application for a proposed new 20 acre subdivision on SW 7-56-23-W4 was put before council for their

consideration and approval. No objection was recorded.

GARBAGE PICK-UP:

Garbage in bags or bundles will be picked up as usual on Saturdays starting at 8 a.m. Residents are asked to leave all items in front of their premises if at all possible. Council's instruction to the contractor is to remove bagged garbage and bundled items only. Heavy barrels of garbage will not be picked up.

DOGS:

There have been many complaints in recent weeks about dogs running at large. Damage to gardens and newly seeded lawns has been extensive. The dog catcher has been asked to carry out his duties to the fullest extent, in an attempt to control this perennial problem.

Residents are asked to co-operate fully in complying with village regulations relating to garbage pick up and dogs.

Mr. and Mrs. Rick Milligan whose marriage was solemnized in the Ansgar Danish Lutheran Church, Edmonton on June 22.

Namoo News

By Norma Crozier

Mr. and Mrs. Jack Harrold are enjoying a visit from their daughter Patsy, her husband John Albrecht and children, Johnny and George from Wellesley, Ontario.

ating after surgery.

Mr. and Mrs. Ross McLay have been enjoying a visit from good friend Jeff Schult from California, U.S.A., for the past week.

Cemetery Day will be held at Namoo on July 29 at 7 p.m. Everyone is requested to bring garden equipment to fix up the plots.

Namoo School and Community League's Klondike dance was thoroughly enjoyed by a large crowd especially the steak barbecue. Winners for the evening were:

Best Dressed: Ladies - Mrs. Ruby Lowe; runners up Mrs. Marg Samis, Mrs. Sandra Mullen; Men - John Capstick; runners up - Jeff Schult and Jack Speers.

Best Hat: 1st - Mrs. Marg Samis; runners up - Mrs. Sandra Mullen, Mrs. Viola Samis.

Hairiest Chest in the West: Lyman Shultz; runner up - Norman Epps.

Lady with Slip in her hand: 1st - Mrs. Gladys McLay; Farthest Away - Wendolin Weber from Germany; Door Prizes - Dave Gwilliam and Mrs. Tina Eppings; First Steak of the Evening - Mrs. Muriel Porter.

The committee wishes to thank everyone who helped to make this a very successful evening.

Get well wishes to Mrs. Vera Huber who is recuperating.

The recent West Sturgeon Agricultural Society fish derby at Devil's Lake produced a few laughs as shown by Cactus Macdonald (left) and Donna Macdonald as Moe Berube is about to cook the only fish he caught in 15 hours of fishing. Moe's son Grant (right) looks a little surprised at his dad's catch.

Report from Bon Accord

Chet McBride's midwest team bowed out of the Northern Alberta Provincial series losing to Leduc and St. Albert on July 21. They won their first game over Morinville. The boys and

their coach wish to thank all their supporters who came to cheer them on with special mention to Eileen Neilson and Evelyn Rogers for the lovely picnic dinner provided by them on Saturday and to Chet and Bonnie McBride for hot dogs and cold drinks on Sunday. With no booth facilities provided for players and fans at the tournament, the refreshments were doubly appreciated.

The Bon Accord Senior Ladies softball club lost out in the semi-finals to the ladies from Gibbons in Highway 15 softball league playoffs. They won their first games of the semi-finals by beating out Redwater.

The First Bon Accord Guide Company held a wake-a-thon on July 13 and 14. The girls stayed awake from 8 a.m. Friday to 2 p.m. Saturday. They spent the night at the home of Mrs. Donaghe

The Bon Accord Senior Ladies softball club lost out in the semi-finals to the ladies from Gibbons in Highway 15 softball league playoffs. They won their first games of the semi-finals by beating out Redwater.

Gibbons

By Shirley Steinwand

The Sturgeon Agricultural Society was given a cheque in the amount of \$10,000 by the Gibbons Recreation Board, in aid of the new Arena. This money involved two separate grants applied for by the Recreation Board.

The Recreation Board now has possession of the old CNR building. This building may have to be moved at a future date, and hopefully, will be turned into a museum, library and Recreation Board offices.

The Gibbons Public Library has received 100 new books. These books are of interest to the ages 10 to 15 years. The new books will be on the shelves after reopening on August 8th.

Mr. and Mrs. Ian Grant and family left on Saturday, July 20 on a months holiday overseas, visiting friends and relatives.

Get well wishes go to C. Van Noord in hospital.

Village of Gibbons PROCLAMATION

In accordance with the provisions of the Municipal Act, the Mayor of the Village of Gibbons hereby proclaims Monday, August 5 as a Civic Holiday.

D. LOBLICK,
Mayor of the Village of Gibbons.

Clive Potters celebrate Golden Wedding

By Norma Crozier

Mr. and Mrs. Clive Potter of Sunnyside celebrated their Golden Wedding Anniversary on Wednesday, July 17, 1974. Friends and relatives honoured the couple at an "Open House" held in the "Hub" at Namao.

Mr. Potter, born in Min-

nesota, U.S.A., came to Alberta with his parents, Mr. and Mrs. Charles Potter and sister Cleo in 1902 to settle on a farm, which they rented, west of St. Albert where his brother, Lee was born. In 1903 they bought a farm in the Sunnyside district where

Clive attended school. On July 17, 1924, he married Lillian Oliver. Lillian was born in the New Lunnun district and received her education there. The couple then mixed farmed until 1945 when they started a dairy business. Their son Donald and his family still carry on the dairy business. Clive was a councillor in the Sturgeon municipality from 1941 to 1951 and acted as Reeve of the Council for two years. He has also been an ardent curler for many years. Keenly interested in music he played in the Sunnyside orchestra.

Lillian played her part too and has become well known for her beautiful handwork, crocheting and braided rugs, and her bounteous garden. They moved to Edmonton for a short time but soon returned to Sunnyside where they continue to make their home. The couple have three children, Donald of Sunnyside, Mrs. Frank Rigney, Margaret of Bon Accord, and Mrs. Reg Crozier, Arlene of Namao; 11 grandchildren and four great grandchildren.

The open house program was ably emceed by friend and neighbor, Mr. Doug Bowman. Music for the evening was supplied by Arnold Cowen, Howard Samis, Norman Martin and Bud Baxter. After dancing the anniversary couple were seated on the stage while Mr. Harold Paul told the story of their 50 years together acted out by local talent, Mr. Harold Clark, Mrs. Ruby Lowe, Mrs. Emily Oliver, Mr. Dick Hansen and Mr. Will Oliver.

Mrs. Ethel Wilson, lifelong friend of Clive and Lillian, recalled anecdotes of years gone by and the pioneer days of the Sunnyside district when they were children together.

Mr. Laughlin Cameron, their closest neighbor, spoke of working together through the years and told some amusing stories of Clive and Lillian.

Mr. Bowman read congratulatory messages from Governor General, Jules Légar, Prime Minister Trudeau, and Mr. and Mrs. Dan Hollands, MP for Pembina. Mr. George Knight on behalf of the Sunnyside Community presented the couple with a beautiful horseshoe decorated with 50 silver dollars. Ron and Diane Nelsen accompanied by Mrs. Barbara Crozier sang four selections to Clive and Lillian, a treat enjoyed by everyone present.

Many out of town guests were present to enjoy this happy occasion.

Cecile Van de Walle married at St. Emiles

By Lucienne Montpetit

St. Emile's Church at Legal was the scene of a beautiful summer wedding when Cecile Van de Walle exchanged marriage vows with Leonard Cuku on June 15.

Father Roland Blaissonette performed the triple ring ceremony for the daughter of Mr. and Mrs. Walter Van de Walle, and the son of Mr. and Mrs. George Cuku from Limerick, Sask.

The altar boys were George Van de Walle, brother of the bride and Emile Larose, cousin.

During the ceremony Ben Van de Walle read the first reading from the Scriptures and Richard Van de Walle read the second reading.

The organist was Miss Elaine Bilodeau with vocalists Mrs. Lucienne Montpetit and daughter Patsy. Ushering the guests were Richard Van de Walle and Henry Roy, cousin of the bride from St. Albert.

The radiant bride was escorted to the altar by her parents. She was a vision of loveliness in her Ligoda wedding gown, featuring an empire waistline trimmed with Venice lace, and slim line sleeves. The dainty bodice was enhanced by a lace wedding band collar. Her chapel train edged with matching lace flowed gently from her A-line skirt and a Spanish lace crown held her bridal veil. She carried a cascade of red roses.

Bridesmaids Rita Larose, Debbie Mercier, Jean Clement, Jocelyne St. Martin and junior bridesmaid Lorraine Van de Walle, sister of the bride, were charming in their identical sky blue polyester crepe gowns with lace bodice and sleeves. They carried cascades of white tinted blue carnations. Small delicate matching flowers adorned their hairdos.

The groom was attractive in his navy tuxedo complemented with a white shirt and navy bowtie.

The groom's attendants Monte Auser, Ben Van de Walle, Rodney Cuku and John McKenzie were handsomely attired with navy tuxedos, pale blue shirts and matching bowties.

Following the ceremony a reception for some 250 guests was held at Holland House in Edmonton. Arrangements of white and blue carnations and a beautiful tiered cake decorated by Mrs. Wilfred Barry of Legal graced the banquet table.

Mr. Lucien Larose, master of ceremonies for the occasion called upon Tom Flynn, cousin of the bride to say Grace. The toast to the

MR. & MRS. GEORGE CUKU

bride was proposed by Lucien (Pete) Montpetit, uncle of the bride and the groom replied most capably.

Monte Auser proposed the toast to the bridesmaids.

During the reception the bride and groom received a telephone call from Mr. and Mrs. Robert Couture from Ottawa. They also spoke with the parents of the bride. The Coutures have been long time friends of the family.

Mrs. Lucienne Montpetit accompanied on the guitar by Richard Van de Walle entertained following the banquet.

Mr. & Mrs. Jamison, Mr. Walter Van de Walle, and Mr. George Cuku and the bride all spoke with well chosen words. After lunch the thoughtful bride requested the orchestra to play "O My Papa" and she danced with her father, "being Father's Day."

Mrs. Van de Walle received her guests in a floor length deep blue sleeveless silk lace coat and gown ensemble complemented by a pink orchid corsage.

Mrs. Cuku chose a yellow nylon gown with printed orange floral pattern and a yellow orchid corsage. The moment that every single girl is waiting for at a wedding is the throwing of the bride's bouquet. Jocelyne St. Martin was the lucky one that caught Cecile's bouquet and Monte Auser caught the dainty garter.

For their honeymoon to B.C., Spokane and Glacier Park the bride donned a light pink pant suit with a corsage of red baby roses. Len and Cecile are making their home in Edmonton.

Mr. and Mrs. Clive Potter on the occasion of their 50th wedding anniversary, celebrated July 17 with an Open House in the "Hub" at Namao.

Weekend spotlight turns on Legal

By Lucienne Montpetit

Fete au Village is a theme catching fire in our community and district some 28 miles north of Edmonton.

Residents from far and near get together for a gay time at Legal's Recreation grounds. Visitors will be greeted by Legilians decked out in their Coureur de Bois costumes.

A midway with games, souvenirs, concession booth, bingo and rides will provide enjoyment for young and old. Also featured is a pancake and jigging contest. Anyone wishing to purchase French records may do so in the CIXFIT booth.

Souvenir records for 1974 Alberta RCMP Century Celebrations will be on sale

at the souvenir booth.

Sunday afternoon will be hot and noisy in the demolition pit. Top notch auto drivers will be presenting an exciting performance as they attempt to demolish their opponents car.

Gate prizes of \$25 will be offered both days. The draw for these will be made at 7 p.m. at the information booth.

The two day celebrations will conclude with a colorful display of fireworks.

Hours of work and planning have gone into the two day program and it is hoped you will turn out to share with the citizens of our progressive village and that you will enjoy the fulfilled events planned for Fete au Village.

Welcome To...

On behalf of all the people of Legal and community I am happy to extend to all our friends from far and near, a warm and sincere invitation to attend our annual two-day celebrations - La Fete au Village, July 27 - 28.

Je me fais plaisir au nom de tous les gens de Legal vous inviter a assister a la Fete au Village le 27 - 28 juillet.

JOSEPH NAULT,
MAYOR OF LEGAL.

CLOSED
Legal Bottle Depot
will be closed
from August 1 - 15.

MORINVILLE MEMOS

By Marilyn Pelletier

Mrs. Cora Viduk is now home after being a patient in St. Albert Hospital.

Mr. and Mrs. G. Tingler returned home after spending the weekend in Saskatchewan.

Mr. and Mrs. R. Hansel spent the weekend visiting relatives in Stettler, Alberta.

Mr. and Mrs. Ed Kryskow left on Sunday for three weeks holiday touring Europe.

Mr. and Mrs. Alvin Bokenforst spent 10 days holidays in South Dakota and they report temperature was 108 degrees and farmers are

praying for rain.

Mr. and Mrs. Bill Rockwell and Dorleen are home after spending two weeks holidays in B.C.

Mrs. Earl Dick and family are here from B.C. visiting her sister Miss Vi Weiss.

An oldtimer of Cardiff, George Rockwell, passed away at the age of 68. He leaves three brothers, Harold and Walter of Morinville and Bill of Cardiff and two sisters, Hazel McGregor of Edmonton and Mrs. Myrtle Cartwright of Golden, B.C.

Mr. and Mrs. Joe Torosyn from Rockigen, Saskatchewan were here to visit their daughter Mrs. Lillian Bestler and family. Mrs. Bestler plans on returning to Rockigen to visit with her mother.

The new owners are Jim Shupenia, a former resident of Busby and Peter Bidlock who is affiliated with several hotels in Alberta.

The hotel will soon undergo an exterior face lift with a new paint job, and new signs are now being designed.

The new owners want the hotel to be one that the residents of Morinville can be proud of, and they fully intend to make the hotel in tune with the times.

There will be live entertainment on weekends in the very near future.

Look forward to an Open House and Band Session near the end of August.

NOTE - As of August 1st the Hotel Restaurant will be open six days a week from 7 a.m. to 8 p.m. Instead of the previous five days.

The Thrift Car Wash in Morinville was broken into Saturday night and the RCMP report \$25 was stolen and both coin boxes were knocked off the wall. The RCMP are continuing an investigation.

Alcomdale 4H wins Reserve Champion

Joan Davidson of the Alcomdale 4H Beef Club showed the Reserve Grand Champion at the Edmonton Regional Show and Sale and is receiving the congratulations of the district.

The club held its annual Achievement Day at the Alcomdale picnic grounds on July 3. Despite muddy conditions, all of the 16 calves were very well groomed, and the many spectators enjoyed the show.

At 10 a.m., Mr. Don Rinas the m.c., started the proceedings. Ringmaster was Mr. Bill Gonek. Mr. Tom Butterfield was judge for the placing of the calves. Grooming judges were Mrs. Earlie Jennett and Mr. Neil Busenut, a former Beef Club member, and Mr. Fred Radky.

In the feeder steer competition, Joan Davidson won Grand Champion, with Kim Davidson winning Reserve. Senior Grooming was won

Notes on Morinville from the Mayor's office

By Marilyn Pelletier

The 1960 census showed 1,248 people in Morinville. There was another census taken in 1971 showing a population of 1,482, and now in 1974 the population is 1,782.

Assessment has doubled since 1969. It now stands at approximately two and one half million, which is roughly one million dollars increase in three years.

In 1969 the town annexed 320 acres which was thought to be adequate for 10 years. This disappeared in 10 years. So another annex of 439 acres was necessary, which is the Estate. Town limits are one mile east of Morinville and all north of the NAR right-of-way.

New homes are scheduled to commence construction from the middle of August on. The next area of construction is east of the Municipal Building where 120 new homes will be constructed after approval of new

sewer mayor by government. The original town area north of the NAR tracks and west of old Highway 2 is to be the site of 64 new homes to be developed by Mario Homes.

The town has commissioned its engineers to draw up designs on a new 1 1/2 million dollar pipeline to St. Albert for sewage disposal. This pipeline has carrying capacity for 10,000 plus people, and it is expected to have this line on stream by late September, 1975. The new line will eliminate sewer lagoons within limits of the town.

Upgrading of water supply will have the next priority to accommodate the increase in population.

The town has been supplying the ratepayers with fluoride treated water for the last 12 months. This is the result of a public opinion poll taken earlier.

In 1969-70 town upgraded all streets in the original town eliminating all ditches and installing curbs and gutters. This was done as the first stage to future paving, and at present time the town is endeavouring to complete paving of all streets in Morinville, thus bringing the standard to that of the new city owners.

This year the Provincial

Government, through Alberta Liquor Control, commenced the building of a new liquor control outlet which is estimated to open to the public August 1st. New post office facilities are in the planning stage at present.

Water supply program

By Wally Klatt, District Agriculturist.

Applications for assistance will now be accepted from bona-fide farmers who are initially or intend to install or extend their water system for the purpose of beginning or increasing their livestock operation.

Applications are available from the District Agriculturist's office in Morinville.

After five thousand (5,000) applications have been received within the province, this program will be cut off.
